**NOTE: DM him with Ask Good Questions  
and he will send the new audiobook he  
mentioned!**

Purpose is very personal. You can't just read something and have the epiphany.

So we created the proper structure, activities and step-by-step approach for you. This solution is a guide you can get at [wealthfactory.com/garrett](http://wealthfactory.com/garrett).

When we say "solution," it's the solution to go from Killing Sacred Cows to living that next-level experience of prosperity.

The life you deserve. The life that you love.
