

## Chris Johnsen, attorney

---

With a dual JD/MBA, entrepreneurial spirit, and an array of business experience, Chris Johnsen offers an unrivaled, dual approach to solving the toughest problems facing today's businesses. His legal expertise spans small to large corporate clients in a variety of industries. In addition, his experience as a business owner in advertising, retail, and real estate has uniquely prepared him to bring business-centric judgment and perspective to his clients. The result is a lawyer who speaks strategy in plain language—which is rare enough on its own—with all the finesse and negotiating skills that accompany legal practice expertise.

Before starting Johnsen Law, Chris was a partner at the international law firm Holland & Knight, where he represented both small and large corporate clients in a wide range of corporate matters. His practice specializes in business law, and he has experience representing clients in various industries, including oil and gas, transportation, healthcare, technology, medical, entertainment, retail, financial services, securities, and real estate. Above all, Chris stays focused on his top priority: helping businesses build, grow, and succeed.
